

understands this is going to have to move to kill these bills. I urge adoption of the amendment. I admit, it guts the bill and does very little other than make existing remedies more available.

SPEAKER LUEDTKE: It's been so long since we've heard the amendment I'm going to ask the Clerk to read the amendment. It's not very long.

CLERK: (Read DeCamp amendment found on page 880 of the Journal).

SPEAKER LUEDTKE: Question is adoption. Alright. I'll put it to a vote. All those in favor of recessing say aye, opposed nay. We are not recessed. All those in favor vote aye, opposed nay. No, this is not for recess. This is for voting.... I called the vote and I said we did not stand in recess. No, we are not in recess. This is on Senator DeCamps' motion. All those in favor vote aye, those opposed vote nay. This is on the DeCamp motion. Have you all voted? Record the vote.

CLERK: 13 ayes, 19 nays on the motion to adopt.

SPEAKER LUEDTKE: Motion fails.

CLERK: There are some more amendments, Mr. President, on the bill. Mr. President, Senator Stoney asks to print some amendments in the Journal. The Reference Committee refers LB 527. Mr. President, a motion of the Executive Board was made and seconded by the Board at its March 31st meeting that all permanent employees be authorized to take as holidays April 8th and 11th, when the Legislature will be in recess. If the permanent employee is required to work on these days the employee will be allowed comp time for the time worked. This will be inserted in the Journal. That is all I have, Mr. President.

SPEAKER LUEDTKE: Senator Barnett.
